

**Minutes for the Colyton Parish Council meeting
held on Monday 12th October 2020 at 7pm via Zoom.**

Present: Cllrs K Clifford, S Real, H West, E Jones, J Gardiner, J Hay, P Arnott, A Parr, C Pady, R Watts and C Denny.

Also in Attendance: DCC Cllr M Shaw and EDDC Cllr H Parr. Also S.Haines (clerk)

Members of the public: 8.

The Chairman request that those people recording the meeting declare so and conform to Standing orders and GDPR legislation.

- 20/10/35 Welcome by Chair.** Cllr Parr reminded everybody to keep their points clear and brief as we are trying to keep the meeting to two hours.
- 20/10/36 Receipt & Approval of apologies for absence** Cllr Turner (unwell) Cllr Jarman (absent)
- 20/10/37 Police Report** – these are no longer being produced. Clerk in process of investigating how to get relevant information.
- 20/10/38 Declarations of Interest.** Cllr Pady declared an interest on the payment to Goren Farm as the owner is his son.
- 20/10/39 Public Question time** (maximum 15 minutes) A member of the public read out a letter he had sent to the Council. *Please can we insure that councillors who do not have proper broadband are made to disconnect from further Zoom meeting and just use a landline . Councillor Pady totally disrupted Monday's meeting .Any other Chair would of done this. Councillor Hay cannot be understood either ...makes me wonder how the chair can note his voting direction?*

Please explain to councillor Pady that fibre broadband stops in the green BT box, and carries on through the parish as old fashioned copper wire. It's better but still hopeless. Personally I have over 20 things constantly trying to connect to the internet...including several security systems. I have paid for fibre broadband and it's not up to 2020 standards.

As I said the parish council and EDDC must pressure BT to dig up every road to deliver fibre to every doorstep. We need this especially as people are now working from home and need good broadband connection. Perfectly demonstrated by Clrs , Denny, Hay and PadyI'm sure all of this will be addressed in the NP as I know lots of people mentioned it and actioned as a priority.

- 20/10/40 Approval of the minutes of Parish Council Meetings held on 14th September 2020.** Cllr Gardiner proposed that these minutes not be accepted as they are not a true record of the meeting, during the meeting whilst discussing the Neighbourhood Plan, Cllr West resigned. He later rescinded his resignation so the clerk took advice from DALC who recommended that the paragraph which included the resignation be removed from the minutes as it was only a statement and was not followed up in writing. Cllr Gardiner pointed out that as a direct consequence of the resignation, in a meeting two weeks later a vote was taken to replace Cllr West's position as Vice Chair of planning, if that paragraph is removed then there is no indication as to why that vote happened. Cllr Arnott agreed with these points and proposed that the minutes not be approved until further advice is gathered from DALC, this was seconded and agreed by all. Cllr West abstained from voting. Cllr Real also had an objection to the minutes during the Neighbourhood Plan section, he explained that after his statement of 'come on Colytonians' he apologised and took back the comment, this will also be revised and new minutes sent out. Cllr Watts proposed that all comments be sent to the clerk, seconded by Cllr Gardiner and agreed by all. Cllr Pady wished to offer a vote of thanks to Cllr West for taking and typing up the minutes, this was echoed by Cllr Parr.
- 20/10/41 Matters arising from the Minutes.**
- 20/10/42 Report from County Councillor** – see Appendix A DCC Cllr Shaw added to his report, he had recent communication from the Director of Public Health concerning Covid-19. Many around Exeter have more than three cases, this is largely due to the University. Our local area has very low cases around 0-3 however they are slowly creeping up each week. Also a reminder that if Colyton and Colyford wish to be a part of the 20mph zone trials then they should register their interest to Highways. Cllr Pady pointed out the repeater sign in Willmington is very bright and flashed a 'thank you' when drivers slowed to the speed limit, could ours in Colyford not be updated to work like that one? Cllr Shaw explained that DCC may not do that model of repeater sign, the road through Wilmington is a Highways England road so therefore they have a much bigger budget. Cllr Real then asked for confirmation that the PC should be contacted when a

road is having works done and requires traffic lights? The Coly Road has traffic lights again outside one of the developments and the PC were not informed of this. Cllr Shaw confirmed that the clerk should have received a notification that works were being done and that a TTRO had been applied for. Cllr Parr asked the clerk to contact DCC and ask why communication had not been received. Cllr Watts asked that at the end of the County Councillors report a disclaimer be added to confirm that the views expressed in the report are not that of the Parish Council.

20/10/43 Report from District Councillors. Cllr Arnott read through his report – See Appendix B. Cllr Parr read through her report – See Appendix C.

20/10/44 Highway Matters

- a) Email from concerned resident, circulated by Cllr Jones regarding the pick-up point at the Grammar School and social distancing. Cllr Jones confirmed that he would take this point and point b) to the traffic group meeting in November, he also confirmed that the Email has been sent to the Grammar School.
- b) Multiple Emails circulated by the clerk from concerned, circulated by the clerk residents regarding speeding along the A3052 and Seaton Road.
- c) Temporary prohibition of through traffic and parking (ref TTRO2036812) from Monday 30th November to Tuesday 1st December (for a maximum of 5 days) Queen Street will be closed between the hours of 20.00 and 06.00. This is considered necessary to allow BT Openreach to install cable boxes for fibre cabling.
- d) Temporary prohibition of through traffic and parking (ref TTRO2036817) from Monday 30th November to Friday 4th December South Street will be closed between the hours of 20.00 and 06.00. This is considered necessary to allow BT Openreach to install cable boxes for fibre cabling.
- e) Temporary prohibition of through traffic and parking (ref TTRO2036852) from Monday 14th December to Friday 18th December. Road past Blamphayne Farm, from Blamphayne Cross to Old Barn Cottage, Northleigh will be closed, this is considered necessary to allow access to overhead structures for fibre cabling and tree cutting.
- f) Email from local resident RE Temporary fencing on Rosemary Lane.
- g) Road leading from Hillhead towards the Picnic Site is starting to shift. – Cllr Denny. Clerk has informed DCC and Cllr Jones will take this issue to the traffic meeting in November.
- h) Confirmation of potential 20mph zones beginning and end points and also confirmation of the speed limit suitable for Seaton Road. Cllr Jones proposed a letter be sent to DCC to register an interest in Colyton and Colyford being a part of the scheme, this was seconded by Cllr West and agreed by all.

20/10/45 Report from Meetings Attended. Cllrs Parr and Watts attended a meeting regarding the insurance claim at the Social Club. Cllr Watts reported that he, Cllr Parr and Chris Knee (treasurer of the Social Club) attended a zoom meeting to discuss a potential insurance claim at the social club. Damage has occurred to the fabric of the club due to a failure in the roof. The insurance company have stated that the property is under insured by a substantial amount, we can appeal this by having our own survey completed by the Royal Institute of Chartered Surveyors, the risk here is that we will spend more money on that than if we just went ahead with the claim. Cllr Parr also stated that the cost to insure in the future will be much higher. Cllr Clifford stated that the insurance company should have picked up on the fact that we were under insured. He proposed we write a letter to the insurance company asking why it was not picked up on, this was seconded by Cllr Gardiner and agreed by all. Cllr Gardiner then asked if we should go to our current insurers and ask them if they agree with the current valuations of our properties? Cllr Parr stated that we should write the latter that has been voted on and for all members to try to think of a local surveyor who could help.

20/10/46 Correspondence

- a) EDDC Corona Virus residential updates.
- b) Rural Bulletin
- c) Details for ALCC AGM.
- d) Letter of thanks from the Axe Valley Ring and Ride for the donation made to them from the CPC.
- e) East Devon Rural Community Buildings Fund is now open for applications.
- f) Rural Services Network – Funding digest – October Edition.
- g) Email from Angela King at EDDC regarding the Neighbourhood Plan process.
- h) Email from Cllr West regarding the Neighbourhood Plan document. Cllr West asked the Councillors to ensure they had all read his comments which in his opinion should have been discussed before the plan went out for public consultation, there are errors on the plan that need correcting, for example the plan

mentions poor bus links between Colyton and Sidmouth when in fact now there is no link. Cllr Parr stated that all Cllr Wests comments are extremely valid and that the PC now need to hold a separate Zoom meeting where only the Neighbourhood Plan will be discussed and the comments decided on and sent to the Steering Group and the Consultant as a comment. Cllr Arnott agreed stating that EDDC have accepted that the plan is out to consultation under Regulation 14 we now need to move on, Cllr Watts asked what is happening to the comments and where are they being collected? The clerk confirmed that they are being sent to the PC email address or the Town Hall and are being kept safe. Cllr Watts then pointed out that the PC have committed themselves to review all the comments that are submitted with the Steering Group. Cllr Parr agreed but also commented that we have 10 weeks to do this. Cllr Arnott asked that the Steering Group be confirmed and did we wish to consider adding to it now? Also should any Councillors who are also on the Steering Group now step aside and remain separate? Cllr West stated that the PC are now responsible for the Plan and so should take advice from the Steering Group but not take lead.

20/10/47 Finance

Minutes of the meeting held Monday 28th September 2020 Appendix M to be noted
Accounts to be approved for payment

DD Opus Electricity. Not Received.

DD Talktalk Telephone and broadband 35.00 VAT 7.00 **Total 42.00 pounds.**

BACS Halcyon Grass Verges September as quoted 198.00 VAT 7.00. **Total 237.60 pounds.**

BACS Halcyon Grounds maintenance September 501.66 VAT 100.33. **Total 601.99 pounds.**

BACS Viridor Waste management 119.90 VAT 23.98. **Total 143.88 pounds.**

BACS Goren Farm Rat bait and boxes 50.00 VAT 10.00. **Total 60.00 pounds.**

BACS Office Depot laminating pouches 8.05 VAT 1.61. **Total 9.66 pounds.**

BACS South West Water 13.65 VAT 2.73 **Total 16.38 pounds**

BACS AM Web Design Website maintenance 1st July – 30th September 2020. 4.95hrs. **Total 59.40 pounds.**

The above accounts were approved for payment, proposed by Cllr West and seconded by Cllr Clifford agreed by all, except Cllr Pady who abstained due to his declaration on interest on Goren Farm.

- a) Confirmation that donation of 300.00 pounds has been made to the Axe Valley Ring and Ride service.
- b) Talktalk phone and broadband contract ends 4th December, current price 42 pounds per month for 18 months fixed term, new offer from them is currently priced at 30.50 pounds. Cllr West proposed we stay with talktalk, seconded by Cllr Gardiner and agreed by all.
- c) Current Opus Energy contract ends 27/10/2020. Quotes gathered to be discussed. Cllr West proposed we sign up to EDF energy, seconded by Cllr Jones and agreed by all.
- d) Clerk has been contacted by a member of public who reserved a plot up in the cemetery in 2008 for 600 pounds. They no longer want the plot. Permission needed to refund the 600 pounds. Cllr Watts stated from a financial aspect making the refund is not a problem, Cllr Parr proposed that a visit is made to the grave plot just to insure that it has not been used, this was seconded by Cllr Pady. The Clerk and Cllr Pady will investigate and this will be on the finance agenda.
- e) Permission requested from clerk to purchase a laminator for the office? Office depot have them in stock for 19.99 pounds. This was agreed by all.
- f) Clerks temporary replacement. To be discussed in committee, proposed by Cllr Watts, seconded by Cllr Parr and agreed by all.
- g) VAT return for the second quarter of the year submitted successfully.
- h) Neighbourhood Plan hard copy printing costs. The clerk confirmed that so far the cost of setting up the hard copies was minimal, the advert in the Midweek Herald was placed free of charge and EDDC has kindly offered to print a small number of hard copies and post them out if requested.
- i) Request to repay Carol Rapley 11.70 pounds after she purchased a box of gloves for the Colyford hard copy of the Neighbourhood Plan. This payment was approved, Cllr Watts asked if the Council is happy with the two locations for the hard copies? Cllr Denny offered to conduct a risk assessment on the

locations. Cllr Arnott proposed this be carried out, seconded by Cllr Gardiner, this was voted on with 5 for and 4 against.

- j) Cheque received from the Carnival Committee to the value of 493.00 pounds to pay for the rates due for Rosemary Lane store. Cllr Real asked for confirmation that the rates are split 50/50, clerk confirmed they are, we pay the first half of the year and the Carnival Committee pay the second half.
- k) Confirmation of 3603 pounds received from Symonds and Sampson for the farm tenancy at Stafford Cross, also confirmation of receipt of a copy of the signed contract.

20/10/48 Planning

Minutes of the meeting held Monday 28th September – Appendix N to be noted

a Planning Applications

20/2011/FUL The Town Mill Rosemary Lane Colyton – Trinity Holdings LTD - Demolition of existing store & rebuild as new management office. Cllr Denny advised that the demolition had already been done. Cllr Arnott proposed that this be supported, this was seconded by Cllr Pady and agreed by all.

b Planning Decisions – to be noted

20/1641/FUL Logshayne Farm Colyton – NJ Broom & Sons - Construction of agricultural shed. Approved with conditions.

20/1776/FUL 5 Grove Hill Colyton – Mr Millman - Construction of two storey side and single storey extensions. Approved with conditions.

20/1661/FUL Marine House Rosemary Lane Colyton – Mr & Mrs Hinds - Proposed demolition of existing lean-to and construction of replacement single storey extension, demolition of existing section of the stone wall. Approved.

c Planning Correspondence

Planning Application 20/0985/FUL Land at Farwood Barton. Application was not supported by the PC and refused by EDDC, work has commenced on site as the decision is being appealed by the farmer. EDDC Enforcement officer has explained that the farmer is aware that this work is being completed at his own risk and if the appeal is turned down then he will have to reinstate the land as it was.

Ceram Tec site development – Cllr Clifford. Cllr Clifford stated that all HGVs should be advised to use the Sidmouth Road up towards Stafford cross as access to the site, this is the route used in the past by Ceramtec and always worked well, it avoids HGVs going through Colyton. One lorry has already been spotted using Queen Street as they came in from the Coly Road. He proposed a letter be sent to Homes England and Hughes and Salvidge, this was seconded by Cllr Jones, Cllr Jones stated that Cllr Clifford should write the letter. This was agreed by all. Cllr Arnott asked if it would be useful to contact Sam Gammon of Homes England to ask him if he would do a site visit to answer some questions, Cllr Denny volunteered to contact him as they have been in contact recently and invite him to attend the next meeting.

Tree Preservation order 20/0015/TPO has been made at Land at Higher Lodge Ramsden Lane Offwell.

20/10/49 Amenities

- a) Approval of the minutes for publication of the Amenities committee meeting held Monday 28th September – Appendix O. These were approved.
- b) Skate park at PMPF. Original company has folded. Cllr Pady explained that the clerk has been in contact with EDDC to ask for advice, a very helpful letter was received from Dave Cook, a senior engineer at EDDC, he recommended a company which are very good and could remove the current ramps and replace with concrete ones which are extremely low maintenance. Clerk to contact them for a quote.
- c) Cllr Pady confirmed that the memorial seat for Mr Board has been ordered, when it is delivered to the Council yard he will help John install it.
- d) Cllr Pady asked if an ad should be placed in the Coly Times RE S106 to get the ball rolling?
- e) Cllr Pady asked for the Council's backing for the clerk to send an eviction notice to a tenant at the allotments who has been contacted many times regarding the state of his plot and he not done anything about it. Part of the contract terms state that plots must be maintained and we have a long waiting list of people who want a plot. Cllr West proposed the letter be sent, seconded by Cllr Watts and agreed by all.

- f) Cllr Clifford stated that no volunteer had come forward to look after the gardens at Govers Meadow, he stated that the shrubs had become very overgrown now and somebody is needed to come in and do some work. Quotes to be gathered to remove shrubs.
- g) Cllr Real pointed out that the hedge at the PMPF needed to be cut, Cllr Pady will contact Mr Hurford.
- h) Cllr Parr stated that Mr Underdown had done an amazing job cutting the hedge at the Road Green playpark, a letter of thanks should be sent, Cllr Pady agreed and also commented that Mr Underdown had fixed a shed that is sited on land that he rents from the PC.

20/10/50 6 Month rule for Councillor Absence. Cllr Jones proposed this be postponed until the next full meeting as the NHS were set to release some new information. This was seconded by Cllr Real and agreed.

20/10/51 Kittles Trust. Cllr Jones stated that the CIO document had been sent out to all Councillors, The Charity closed three years ago and they were not happy to reinstate it so it is now called the 'New Kittles Trust' all trustees have accepted the terms except Cllr Watts so therefore a new trustee is needed. Cllr Watts explained that he has stepped down as a trustee because the CIO absolves the PC of all future involvement and places it solely on the four trustees, he did not think that was right. Cllr Parr proposed that this be placed on the next agenda so the PC could have a look at the terminology. This was seconded by Cllr Arnott and agreed. Cllr West stated that John Mills had looked at the document and has a master's degree in charitable law, he would not make a mistake, Cllr West volunteered to be a trustee. Cllr Watts stated that he is not saying John had made a mistake, he got this impression from John that he thought that the PC wanted to absolve itself from all future involvement. This will be on the next agenda.

20/10/52 Communications – Cllr Watts Cllr Watts confirmed that the third edition of the newsletter have been sent out and had been very well received, a number of hard copies are available and can be posted out, anybody who wants a hard copy should contact the clerk.

20/10/53 Matters to be taken into Committee. Clerks leave

20/10/54 Items brought to the CPC's attention after the agenda had been published – to be noted. There have been reports of cracks opening up in the walls of the Pavilion at the PMPF. The committee are aware and are investigating into this.

20/10/55 Dates of future meetings

Finance Planning and Amenities Committee – Monday 26th October

Full CPC meeting – Monday 9th November

Appendix A

County Councillor's Report, October 2020

Covid situation Councillor Leadbetter, Cabinet member for Health & Social Care, told the County Council on 1st October: 'it is starting to feel like it did back in February, with increasing COVID-19 cases in the community and a slow but steady increase in infection in care homes and a rise in the number of COVID-19 patients in hospitals this week; a continuation of this will have an impact across the system.' Devon's Director of Public Health has written to care homes advising that at present, providing infection control guidance is followed, they can continue with their own visiting policies. However, this situation is subject to an ongoing dynamic risk assessment and may change. I took part in discussions of the situation at the Health and Adult Care Scrutiny Committee on 10th September and a meeting with the Social Care leadership on 18th September. Devon County Council is taking part in a Department of Health and Social Care COVID-19 testing pilot within Extra Care Housing (ECH) and Supported Living (SL). The pilot is Devon's opportunity to inform future national testing requirements and testing strategy for people living in these situations.

NHS and non-Covid care It is reported at the Council meeting that the NHS focus of this next period is a return of non-COVID-19 health services to near normal levels, preparing for winter, but obviously this depends on the pandemic situation. On 10th September, I got the Scrutiny committee to ask for a detailed plan to restore elective surgery, to be presented to the November meeting.

20 mph limits At the Council meeting, In response to a request from me, Cllr Stuart Hughes, Cabinet member for Highways, presented a written report on the current state of the 20 mph policy. The long-awaited Newton Abbott trial may begin soon and it is still the case that policy will not be reconsidered until after this. However it was announced that in the meanwhile, a waiting list of requested proposals will be kept. I welcomed this development and will be writing to Cllr Hughes and the director of Highways to lodge the interest in 20 mph zones in Seaton, Colyton, Colyford, Beer and Offwell.

Black Lives Matter The Council on 1st October heard moving speeches from students at the King's School, Ottery, supported by Development Education Devon, who explained how the Black Lives Matters movement

had spurred them to speak out about the abuse and constant micro-aggressions suffered by young black people in Devon. The students, who have set up a group called Diversity in Devon, worked with Cllr Claire Wright to present a motion calling for the Council to engage with the black and minority-ethnic (BAME) community in the County and press the Government to recognise the history of black oppression in the school curriculum. Along with a similar motion from the Lib Dems, Claire's motion went (following the Council's normal arcane and undemocratic procedure) to DCC's Conservative-controlled Cabinet before being discussed by Council. The Cabinet approved a slimmed-down set of recommendations which - while not including all the points requested - represented real progress and all parties and groups (Labour, Lib Dems, Green and Independent) were able to support them. The first Cabinet amendment was therefore passed unanimously. However the Conservative Group couldn't help spoiling the response and disrupting the unity of purpose. Once the Group saw the Cabinet recommendations, it insisted on diluting the commitment to 'engage with BAME people and organisations'. Embarrassingly for the Leader, Cllr Hart, he was forced to introduce an extra amendment saying the Council should 'engage with all residents in Devon'. This was an echo of the racist All Lives Matter movement which has attacked the idea of Black Lives Matter. In my comments, I explained why this was unacceptable. I am over 70 and white, and I have never experienced racist abuse or even micro aggressions in my life. The young black woman who spoke to the Council, like most other black people, has experienced them regularly from an early age. Obviously it is black and ethnic minority people who personally experience the problem of racism, so it's them we should specially engage with.

Report over impact of final Brexit deadline In response to a request from me, Councillor John Hart presented Council on 1st October with a depressing report about the effects of the rapidly nearing end of the Brexit transition period (31st December). It is clear that despite the best efforts of the Council and its officers, they remain basically in the dark about what will happen when the UK leaves the European Single Market and Customs Union in less than 3 months time. Responding to my comments, Cllr Hart said there was particular concern about ports, i.e. Plymouth. It has been announced that a giant lorry park has been prepared - as in Kent, where drivers will have to get a permit to cross the county border! I told the Council that it is utterly irresponsible of the Government to proceed with this Brexit disruption, not asking for an extension to the transition, when the economy has already been badly hit by the pandemic. The Council estimates an 8 per cent hit to Devon this year will rise to 10 per cent if there is no trade deal with the EU. The Government's own estimates also show continuing damage over many years. It is indicative that Cllr Hart no longer bothers with the previously obligatory talk about the 'opportunities' as well as risks of Brexit..

Appendix B

COLY VALLEY DISTRICT COUNCILLOR REPORT

PAUL ARNOTT

OCTOBER 2020

New Planning Practice Agreed at Cabinet

A few months ago I initiated a discussion about probity in Planning in East Devon. This came from a sense that people ultimately can come to accept even the most unwelcome development on their doorstep so long as they feel it has been done above board and they have had their chance to be involved. Rightly or wrongly many believed that in East Devon (as elsewhere) this was not always the case, with rumours of undue influence and the role of the handshake in some deals behind the scenes

Therefore with immediate effect, any pre-application meeting between councillors, officers and landowners or developers about a proposal must now be chaired by the Chair of Planning. Minutes will be taken by an officer. These minutes will then be attached to the file for any eventual planning application and become disclosable if necessary

Co-operating with our neighbour districts

At the end of August the great majority of councillors voted for EDDC's leaving the GESP project. Just two months on at Strategic Planning on 20th October it is hoped that it will be agreed that East Devon continues to work with Exeter, Mid-Devon and Teignbridge cross-border on key issues such as transport, habitat, and green economic growth. The key difference will be that East Devon does not have to "consume other people's smoke". In other words, we will control our own site allocations. At the same meeting we will make the first moves to begin our own new Local Plan process. Despite a lot of scaremongering from GESP disciples and the developer lobby, in fact your area will be in a much stronger position than before.

Unitary Devon

Disappointingly our local MPs Messrs Jupp and Parish spoke out a month ago for district council abolition and a "Unitary Devon". They did this at the very moment when I was receiving information direct from Whitehall that the government only wished to press ahead with unitary Cumbria, North Yorkshire and Somerset. In the words of the Leader of Devon County, "many MPS had been marched to the top of the hill by the whips and were now trying to find their way back down again without looking too embarrassed".

Sasha Swire

One of the most extraordinary political diaries in British political history has just been published, the ten years of stunningly indiscrete "confessions of a politician's wife" by Hugo Swire MP's spouse, Sasha. In it there are many revelations, but of interest locally is Swire's reference to his own local councillors and faithful party supporters as "toilet seats".

He was of course our MP before the boundary was redrawn, and if I may make a personal comment, I always felt that he was the epitome of an absentee MP with little genuine concern for East Devon, and this book does nothing to change my view.

Most appallingly is the evidence of his meddling in the fate of community hospitals for his own selfish advantage. If you ever believed that we lost Seaton beds to benefit Sidmouth (in his constituency) against all the evidence because of his meddling - for fear of losing to Claire Wright - this book will leave you in little doubt.

Appendix C

District Cllr Helen Parr- October 2020 Report

1. CeramTec Demolition work

Conditions 13 & 15 of the planning permission require a Construction Management Plan detailing vehicle movements during demolition and a [CEMP] Construction and Environmental Management Plan, stating how the demolition will be done whilst safeguarding the environment. These conditions have been discharged, which means plans for this work are acceptable to the planning authority.

Re Demolition

The Health and Safety document below states all vehicles exceeding 7.5 tonnes will go in and out of the site via Sidmouth Rd. see section 10, Traffic, on p13

https://planning.eastdevon.gov.uk/online-applications/files/2936DB0CFC680A28F2CBC0AA60B771EE/pdf/18_1850_MOUT-HEALTH_AND_SAFETY_PLAN-1846608.pdf

All documents re CeramTec are posted on the planning website- search Planning App 18/1850/MOUT

2. Dublin Aerospace Group, the aviation maintenance company based in Ireland, has established Exeter Aerospace in the location of the former Flybe Maintenance Services at Exeter Airport.
